

Hargate Primary School- Pupil Premium Grant Spending Plan 2016/17

The school ensures that each disadvantaged child has their funding used on them through extra provision and support. School must also ensure that through this provision the children move towards achieving as well as all children nationally

Objectives in spending PPG:

Set realistic objectives that focus on specific groups of pupils or subjects. If you want to focus on mathematics, you may want to monitor progress in average point scores to show progress.

1. To raise standards in all core subjects for all disadvantaged pupils and narrow the attainment gap.
3. To provide effective pastoral support for all disadvantaged and disaffected pupils
4. To provide low-income families with additional funding to support the access of residential, out of hours and off site opportunities for pupils to raise self-esteem and broaden experiences.
5. To support disadvantaged pupils to make a successful transition from primary to secondary school.
6. To provide a robust support mechanism and intervention programme for all our LAC children in order to improve their life chances.

Overview of the school

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	322
Total number of pupils eligible for PPG	131
Percentage of Primary pupils eligible for the Deprivation Pupil Premium	40%
