Summer Term 2017

## LITERACY:

This term we will be looking at creating our own fantasy land, using 'Alice in Wonderland' as our stimulus, to help generate ideas. Furthermore we will continue with our comprehension in weekly session to help develop the children's questioning of texts.

Children will also take part in daily guided reading sessions.

## NUMERACY:

Children will be focusing on Shape and statistics within this term. Children will recap and compare 2-D and 3-D shapes. As well as learning about the angles within shapes. Furthermore children will learn such terms as translation and symmetry.

Later on in the Term children will begin to look at graphs and tables and be asked to interpret what they see.

## SCIENCE:

We will be concluding our topic on 'Animals Including Humans' which means we will look at the digestive systems and finally food chains, which will look at the energy being transferred between living things.

Before moving onto our last topic which is 'Animals and their habitats' Where children will look at and compare where animals live.

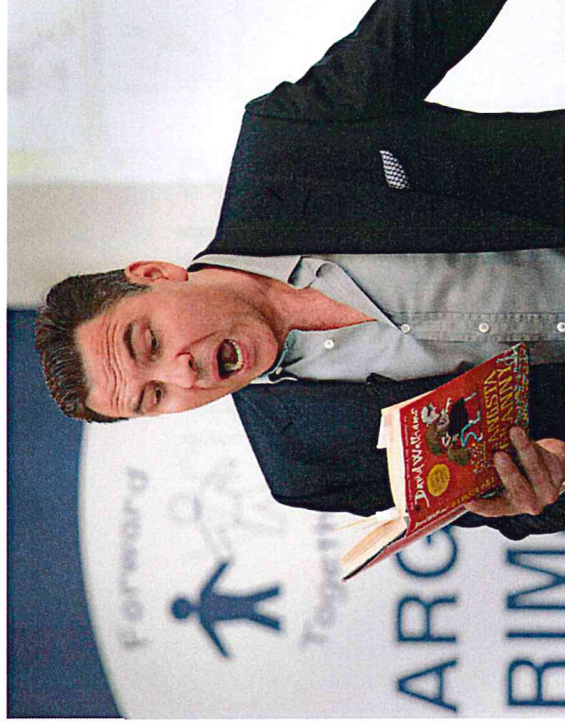

## MUSIC:

Children will be taking part in weekly music session. Also in ICT children will begin to compose their own music using an app called 'Isle of Tune'

## Curriculum Overview – Summer Term.

### ART and DT:

We are going to be designing and creating our very own story books in the style of famous authors.

### Topic

This Term our topic is Authors; we will be looking at the lives of famous authors such as Julia Donaldson, Roald Dahl and David Walliams. We will then be looking to design and create our very own story books in the style of these famous authors.

### ICT:

In this unit, we will be looking at using an app to create our very own music. We will compose, edit and play our own music using an app on the computers called 'Isle of Tune'

### PE:

Children will be learning to develop their game skills through a variety of games. They will work individually and in teams. They will be thinking tactically about games and developing their understanding of rules.

### RE:

Throughout this unit children will be learning about Judaism. Children will learn:

- History of Judaism
- All about the life of a Jewish person
- Famous stories and fables from the Jewish faith.
