Dear All

Can I just encourage you to look carefully at the expectations set out by the Local Authority below. I have had reports of some parents using inappropriate language on the school site and also intimidating others. I cannot believe that most of my time is being taken up with parental issues! The children have been great (as ever) and put some parents to shame!

I am so proud of our children and they deserve the best. If I think that they are seeing or hearing inappropriate behaviour, then I will take appropriate action whether by banning, calling the police or making a referral to Children's Social Care.

Children being exposed to such things could be seen as a form of abuse and I will do everything to protect the children I serve.

Not a very nice thing to have to write about so close to the end of the year. Now we can get on with letting our children enjoy this time and celebrate their achievements.

Mr Orgill

My email is: headteacher@hargate.sandwell.sch.uk
