

# The Stone Ages

323

## LITERACY:

This term we will be looking in depth at Non-fiction units and character descriptions which will be linked to our 'Stone Age' history topic. We will be retelling stories related to the Stone Age.

Children will be revising and learning key SPaG terms and learning how we use these within our writing.

## NUMERACY:

Children will be focusing on Number and Place value and developing their understanding of 3 and 4 digit numbers.

We will be focusing on transferring our skills on real life problems and worded problems.

Children will develop their mental strategies for all operations in numeracy (addition, subtraction, multiplication and division. Focus will be the 4 and 8 times tables in multiplication.

## SCIENCE:

We will be learning about 'Rocks' and investigating how to compare and group different kinds of rocks based on their physical properties, describe how fossils are formed and recognise the way soils are made.

During Autumn 2 we will be learning about ourselves and other animals. We will look at the role of food

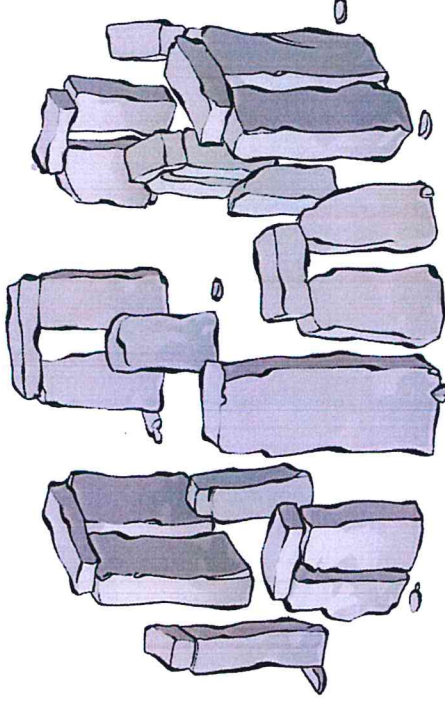

## MUSIC:

Children will be taking part in music sessions through our creative curriculum. They will take part in a weekly singing session.

## Curriculum Overview – Autumn Term

### ART and DT:

We are going to make Stone Age houses, cave drawings as well as making their very own versions of the famous Stonehenge circle.

### PSHE:

This term we will be studying the topics 'We're all stars' and 'Be friendly, Be wise'. 'We are Stars. Children will be learning how to:

- Develop confidence and resilience
- Develop a growth mindset
- Celebrate 'Being Me'
- Think about others and how their actions can affect other people.

### HISTORY/ GEOGRAPHY:

Throughout our history sessions, children will be focusing on:

- How we evolved through the time
- Stone age weapons and tools
- Stone age homes
- Skara Brae
- Stonehenge.

### ICT:

In this unit, we will be looking at using the internet safely. We will be sending emails safely taking care not to include any personal information and will be sending attachments on our Stone Age topic.

We will also be using Scratch to look at how we can make and develop a character.

### PE:

Children will be learning to develop their game skills through a variety of games. They will work individually and in teams. They will be thinking tactically about games and developing their understanding of rules.

### RE:

Throughout this unit children will be learning about different places of faith, with a particular focus on Hinduism. Children will learn:

- Where these places are in the local environment
- Who goes to these places
- What they do there as well as
- Find out which ceremonies and celebrations take
