TOKYO 2020

Spring Term 2017

## LITERACY:

This term we will be looking in depth at Acrostic poems, biographies and a setting description all relating to our topic.

Children will be revising and learning key SPaG terms and learning how we use these within our writing.

## NUMERACY:

Children will be focusing on the four operations (addition, subtraction, multiplication and division) Looking at formal methods that will be used.

We will then move onto looking at fractions and in particular looking at equivalent fractions and begin to calculate certain fractions of amounts.

## SCIENCE:

We will be learning about 'electricity' this term, in particular we will look at how electricity is generated and what appliances run on them.

Furthermore we will build and construct circuits looking how to solve problems with them. Finally we will look at which materials conduct and insulate electricity.

## ART and DT:

We are going to design and create our own medals for the 2020 Olympic Games.
