Friday 5 October 2018

Dear All

I think one of the things that makes Hargate 'stand out' is the fact that we are never satisfied and keep improving. This is in terms of children learning, our own provision and our school premises. We have had new classrooms added in the summer and this has allowed us to teach children in smaller classes. We are now looking at redeveloping the front of our school to create more space for children working in groups, parent meeting rooms and also office space as our school has grown. We are now fully two-form entry and full.

Our children deserve the best and we expect them all to achieve well.

Thanks so much for your support and please don't hesitate to get in touch if you need.

Mr Orgill

Parking at the Ambulance Station

We have been working with our neighbours to ensure that our children are safe. The Ambulance Station is private property and they need good access for obvious reasons.

The Ambulance Service will now be clamping vehicles that park on their property with a release fee of £400.
